COMET

Name	Extension	Location	Email	Responsibility /Expertise	ToolBox (Resources Used)	Targeted Audience
Bryan Guarente	8368	CG-2	guarente @ucar. edu	Instructional Design /Meteorology	HTML5, CSS, jQuery/Javascript, WebGL, PHP, Google Docs, Google Earth/KML, Dreamweaver, Photoshop, McIDAS, GARP	
Bruce Muller	8478	CG-2, 2232	bmuller @ucar. edu	Senior ID and Production Manager	instructional design processes, webinar and dl course production and processes, audio/video production processes, Google Apps admin, Moodle admin, HTML5, CSS, jQuery, Flash, PShop, etc.	scientists, trainers, faculty, higher ed, k-12
Marianne Weingroff	2658	CG-2	marianne@ucar. edu	Instructional design, graphic design	Photoshop, Dreamweaver, Illustrator,	Scientists, K-12, African meteorologists and trainers
Liz Page	8315	CG-2, 2218	epage@ ucar.edu	Project Scientist /Sr Project Lead for Aviation	Google Apps, Moodle, Dreamweaver, meso- and micro-scale meteorology, aviation weather, fire weather and fire behavior	Operational weather forecasters, university community, fire fighters

COSMIC

Name	Extension	Location	Email	Responsibility/Expertise	ToolBox (Resources Used)	Targeted Audience

Digital Learning Sciences (DLS)

Name	Extension	Location	Email	Responsibility/Expertise	ToolBox (Resources Used)	Targeted Audience
Lynne Davis	8313	FL4	lynne@u car.edu	HCI Engineer, User-centered Design, User studies, Graphic design	Powerpoint, Photoshop, Dreamweaver, Illustrator, Paper and Markers!	Targeted audience for product/service

GLOBE

Name	Extension	Location	Email	Responsibility /Expertise	ToolBox (Resources Used)	Targeted Audience
Julie Malmberg	2649	FL-4	malmberg@gl obe.gov	Project Manager/PI	Adobe Connect, Liferay, Google docs, virtual collaboration	scientists, K-12 teachers, students - both international and domestic

National Science Digital Library

Name	Extension	Location	Email	Responsibility/Expertise	ToolBox (Resources Used)	Targeted Audience

Spark

Name	Extension	Location	Email	Responsibility/Expertise	ToolBox (Resources Used)	Targeted Audience

Teri Eastburn	1152	ML-135	**eastburn@ucar.edu**	Student and Public Programs, Instructional Design /delivery, video production, prof. development, int. /ext. relations; social media; distance learning; web	Photoshop, Premiere, FCP, InDesign, Illustrator, Dreamweaver, HTML, CSS, Drupal, Polycom, Vidyo...	k12 educators, k12 students; informal; collaborators/partners in UCAR & external; general public
Randy Russell	2587	CG1-2102	rrussell@ucar.edu	Lead Web & Interactive Multimedia Developer; educational simulations and games development, webinars, online courses, face-to-face teacher workshops; science background in astrophysics & aerospace engineering	Flash, HTML5 /JavaScript/CSS, MOODLE, Dreamweaver, Photoshop, some video editing	K-12 educators, informal educators, K-12 students, general public, sometimes college students
Tim Barnes	1169	ML	tbarnes@ucar.edu	Science interpretation, undergraduate career resources, and internship programs	Photoshop, Druple	K-12 students, general public, undergraduates
Becca Hatheway	2597	CG1-2188	hatheway@ucar.edu	Exhibits, teacher professional development (teacher internships, online courses, workshops), web content, project management	InDesign, Moodle, Drupal (content contributor), Dreamweaver, Photoshop	K-12 educators, K-12 students, general public, informal educators, scientists

Unidata

Name	Extension	Location	Email	Responsibility/Expertise	ToolBox (Resources Used)	Targeted Audience
Sean Arms	8030	FL4	sarms@unidata.ucar.edu	Software Engineer, Data formats, analysis, and visualization, Boundary layer meteorology	Unidata tools (IDV, netCDF, THREDDS, etc.), Java, javascript, Python	University community.
Jeff Weber	8676	FL4	jweber@unidata.ucar.edu	Data delivery, data translation visualization, climate, extreme weather events	IDV, GEMPAK, KML, GIS	Full spectrum, k-12, universities and research

Visiting Science Programs

Name	Extension	Location	Email	Responsibility/Expertise	ToolBox (Resources Used)	Targeted Audience

Earth Observing Laboratory (EOL)

Name	Extension	Location	Email	Responsibility/Expertise	ToolBox (Resources Used)	Targeted Audience
Alison Rockwell	8758	FL1	rockwell@ucar.edu	EOL Education and Outreach, primarily post secondary		Post Secondary
Vidal Salazar	8380	FL1-2071	vidal@ucar.edu	Project Management, Atmospheric Science Chemistry, international deployments, Education and Outreach, Mentor, Spanish	A little bit of everything, Project management Data analysis, science, programing languages. Spanish	From upper level scientists to high school students
Brigitte Baeuerle	2061	FL1-2073	baeuerle@ucar.edu	Facility Manager for EOL/FPS; project management, E&O, educational deployment funded through Deployment Pool	various	University community

Research Application Laboratory (RAL)

Name	Extension	Location	Email	Responsibility/Expertise	ToolBox (Resources Used)	Targeted Audience
Sarah Tessendorf	2708	FL2-2067	saraht@ucar.edu	Atmospheric Science (cloud physics, severe weather, lightning, cloud modeling, radar meteorlogy, observational analysis), Project Management, Education and Outreach. (Split appointment with GLOBE)	Adobe Connect, Blog, Google Docs, Liferay, IDL, Fortran	Various (University, K12), international and local

NCAR Library

Name	Extension	Location	Email	Responsibility /Expertise	ToolBox (Resources Used)	Targeted Audience
Loretta Melhado	2660	FL 4	lmelhado@ucar.edu	CMS & Marketing Librarian	Blog, Twitter, Promotional Events, Website, Dreamweaver	NCAR/UCAR community, members and affiliates
