

K - 12 Teacher Scholarship Application

14th Annual AMS WeatherFest, Teacher Workshop, and Educational Symposium
Phoenix Convention Center, Phoenix, AZ
January 4, 2015

14th Annual AMS WeatherFest Public Event: On Sunday, January 4, the AMS community hosts WeatherFest, an annual celebration that encompasses over 70 exhibits designed to engage learners of all ages in weather-related activities and investigations. Teachers receiving scholarships are asked to host a booth collectively or individually in order to share their weather know-how with the Phoenix community.

14th Annual AMS Teacher Workshop: Do you teach about weather in your curriculum? If so, join fellow educators on Saturday, January 3, for a professional development workshop that will strengthen your weather expertise. Learn from AMS educators and weather professionals from Phoenix and across the country. Terrific resources will be shared!

14th Annual AMS Conference: The AMS Annual Conference brings members of the meteorological community together each year to share new research, technology, and advances within the field. Teachers are encouraged to attend and/or present at the 24th Symposium on Education at the conference. If interested visit <http://annual.ametsoc.org/2015/index.cfm/call-for-papers/>.

AMS invites K-12 teachers to apply for a scholarship to attend & present at the AMS WeatherFest event. Applications will be evaluated on factors such as applicability to classroom teaching, and enhancement of attendee's and students' atmospheric science understanding and overall scientific literacy. Find out more on the AMS WeatherFest site: <http://annual.ametsoc.org/2015/index.cfm/weatherfest/>

Contact Information: *Please Print*

Name of Applicant _____

School/School District _____

Street Address _____

City _____ State _____ Zip _____

K - 12 Teacher WeatherFest Scholarship

14th Annual AMS WeatherFest
Phoenix Convention Center
January 4th, 2015, Noon - 4pm

Scholarship funds are available as noted below:

- 9 to 12 scholarships will be awarded to active educators.
- Up to 3 scholarships will be awarded to retired teachers interested in assisting the AMS Education Committee with its educational events at the conference.
- Local applicants will receive parking-fee reimbursement and a two-day per diem.
- Out-of-area teachers traveling more than 150 miles to Phoenix will receive a 3-day stay at an AMS assigned hotel, 3-day per diem and airfare, or mileage and parking reimbursement.

All scholarship recipients are encouraged to also participate in the Teacher Workshop on January 3rd prior to WeatherFest event but it is not required.

Please check the scholarship for which you are eligible:

_____ I am applying for a local scholarship as I reside within 150 miles of the Phoenix Convention Center.

_____ I am applying for an Out-of-Area Teacher Scholarship as I reside more than 150 miles from the Phoenix Convention Center.

Proposed WeatherFest Activity: (Please note that helium and open flames are prohibited.)
My demonstration is geared toward children in grade(s) _____

Describe your proposed activity and the science concept(s) it is intended to convey on a separate sheet of paper to be submitted with this form.

Activity Category:

___ Weather ___ Climate ___ Oceans, hydrosphere ___ Physical Science
___ Other (please list category) _____

Each WeatherFest booth will contain 1 table & 2 chairs, table drapes, and signage. Electrical service is not standard but it can be provided at no cost if requested below. If your exhibit requires Internet, this service can be ordered at your own expense.

Will your WeatherFest activity require electricity? ___ Yes ___ No

See next page for Travel Support Information and Rules & Regulations
