UCARConnect/DLESE Digital Learning Resources Catalog Documentation Wiki

This wiki contains documentation for the UCARConnect Digital Learning Resource and DLESE Catalogs. Geared toward contributors and developers, this wiki has information about contributing [metadata and collections](#) and working with the [developer APIs](#) for the UCARConnect and DLESE catalogs.

[UCARConnect](#) provides access to educational resources, seminars, workshops, and colloquia from NCAR, UCAR, and its consortium of university members in order to communicate, collaborate, share, and foster knowledge. [DLESE](#) is the Digital Library for Earth System Education, a free resource that supports teaching and learning about the Earth system.
