

GAMEP - task list

1. Get MET images running on saudi-c3
 - a. I think I need John or Tatiana's help
2. Get MET compiled on shaheen
 - a. definitely need Julie for this one
3. Finish installing 3.8.1
 - a. WRF, WPS and WPP are all compiled
 - b. Need geo out files for 3.8.1
 - i. can't do that until I get back to NCAR
4. Data transfer issues from shaheen
 - a. obs, soundings, ecmwf all coming from GAMEP
 - b. grib, met images going to GAMEP
 - i. need to rename the grib according to Zaki's request
 - ii. d03_2018-12-13_00:00:00.grb --> d03_2018-12-13_00_00_00.grb

Things we need from GAMEP/shaheen

1. group user
2. dedicated nodes
