

# Daily Status 8 November 2012

Chris and Larry

## Weather:

Chilly today. Winds are blowing and temperature is having a hard time to get to 10C. Mid-level clouds are keeping the sun from shining.

## Status:

Gandered the Gully and it all looks good. Everyone is communicating today and all playing nice.

## To Do:

Check out Stations 2,11 and C for nano and EC150 installment.
