

# Daily Status Fri 9 November 2012

Chris

## Weather:

CHILLY! Temperatures are freezing and high humidity. Frost on grass this morning. High to mid-level clouds. "Red skies in the morning..." Winds are calm to null.

## Status:

All stations are reporting.

## To Do:

Finish with mounting EC150.

Help ISS with the RASS.

Collect as many tumbleweeds as I can and mark them. I will release them up gully and see which weed wins. Tumble on!
