Confluence Wiki is Topic of Next WAG Brown Bag

The Web Advisory Group (WAG) will be hosting brown bag talks on a monthly basis starting on Wednesday, November 14th, 2007 at noon (location TBD).

The first topic is "Using Wikis for Project Team Web Sites" presented by Markus Stobbs.

You'll learn:

- Introduction to how wikis work
- How to set up a project team home page
- How to edit pages
- Using advanced Confluence tags to enhance your wiki

Hope to see you there.
