Page: Page Access Restriction Sub-page
This is a sub-page that inherits the restriction of its parent page.

Page: Page Access Restrictions
This page is restricted to be edited only by mstobbs. Viewing can also be restricted to the author or a group. Sub-pages created under a restricted page inherit the restriction. This feature can be accessed when editing a page by clicking the edit link ne

Page: pagetitle
Feel free to edit this page and try out Confluence features. Just click the Edit tab above.

Page: PDF Viewer Macro
You can attach a Microsoft Excel spreadsheet to a wiki page and then view it on the page with the viewxls macro. The height attribute is optional but useful since the default height is often too small for the page to be readable. The viewer has a full scr

Home page: Playground Home
This Playground wiki is a space to showcase Confluence features and for UCAR staff to try out Confluence for themselves. Editing on this page is restricted but feel free to add your own pages. In order to add or edit wiki pages, you need to login first

Page: Plugin Examples
Plugins extend Confluence with additional functionality. Often this takes the form of additional wiki markup macros. Here are some examples of plugins we have installed on the UCAR wiki.
