Aviation Digital Data Service (ADDS) - Shared WIKI

This wiki exists to facilitate interaction between the ADDS research, development, and operations stakeholders: FAA AWRP, NCAR RAL, and NOAA AWC. Parts of the wiki will be publicly viewable, but other parts may not. If a parent page is identified as private, all of its child pages are automatically private.

Exp/Ops ADDS Convergence

(all subpages are private)

- Convergence Plans
    - Joint Convergence policy plan (approved 6/5/2013)
    - Initial Convergence Plan (rejected in spring 2013)
