

## 8kva transformer fuses

On June 2nd one of the 30A fuses on the LEA-dynatech surge suppressor blew. Could not find a spare in the trailer.

Ordered 5 from Sequel Electric in Tuscaloosa, 700 14th St, 205-342-3181, and picked them up this morning.

Stamped on fuse: BUSS ABC 30A, 250V
