

Guy wire tensions

10/12/13 Gordon and Tom measured guy wire tensions.

RIM about 13:00, very low wind speeds

NEAR about 14:10, still low wind speeds

Measured from low to high

Rim NE	W	SE		NEAR SW	NW	E
300	400	260		520	510	460
425	430	425		350	425	325
375	380	380		300	280	300
320	360	350		310	300	280
				300	300	275

10/21/13 Steve S&O; NEAR about 12:00, RIM about 12:30

Marked in orange are the only 2 that changed significantly.

Rim NE	W	SE		NEAR SW	NW	E
290	440	280		500	510	325
400	430	450		370	410	340
360	390	330		310	300	310
340	340	330		330	300	290
				310	310	290
