

Soils probe installation

A set of soil probes were installed at site 15, near NR01 #2.
The soil was still wet but not under water. The roots of the grass did make install difficult.

Sensor Serial numbers:

Tsoil - 5 (BD 5)

HFT - H103636 (BD 5)

Qsoil - 20 (BD 20)

TP01 - 200241 (BD 7)
