

Upcoming Confluence Changes

On Friday July 21 and Saturday July 22nd we will be performing some updates on wiki.ucar.edu that will introduce some changes to the application and how it works.

On July 21 2017 at 5:00 PM MDT, Confluence (Wiki) authentication will be changed to use CIT passwords. For more information, click [here](#).

After the CIT account change, wiki.ucar.edu will be taken offline until the afternoon of July 22nd. During this time the application will be brought through several version upgrades. Information on changes from these upgrades can be found [here](#).
