

Past JFF papers to BAMS

See links to the papers in Tools->Attachments in the upper right corner of this page.

These are two past JFF summary papers to BAMS (Bulletin of the American Meteorological Society)

<http://www.ametsoc.org/pubs/bams/>

Since we plan to do a similar publication on the forum, they are provided here as examples. David Gochis will talk about his involvement in both of these publications at the forum.
