

What's New (JFF-BB)

06 October 2010: Group photo added in [main wiki page](#).

24 August 2010: Draft JFF whitepaper [now available](#) (Word .DOC format). Please review and send comments to me by **Friday 3 September**.

18 August 2010: Link to report from ESF biomass burning meeting added to [Resources](#) page. P.S. Draft JFF whitepaper coming soon!

22 July 2010: Talks (in pdf) are now posted to the [schedule section](#) and individual pages of the Wiki .

18 July 2010: Thanks everyone for a great meeting! Talks will be posted to the Wiki shortly, and co-chairs will be collecting material for the meeting report over the next week.

18 July 2010: Please check out the [Resources](#) page, and feel free to add materials from third parties you think are relevant to the group.

18 July 2010: Note that you can select "watch this page" under "tools" to receive an email every time this Wiki page is edited. Please do this, as this will be used in preference to mass emails.
