

# Eslope5 site visit Jan 5, 2011

on site 5, (Jan 5, 1011, 2:45pm )SteveO, LingD, and JoeY

1> take soil samples (2:45PM)

2> decided not to change Tsoil sensor since top 1cm of ground is frozen -- thought I'd do more damage than good. (2:50pm)

3> cleaned radiometer (about 3:00PM)

4> boom angle 251.0 (5:10pm)
