

hiland3 site visit

18 Jan: Militzer & Oncley

Purpose: We found an extra TRH in the bottom of our spares box! Thus, a quick run to this site to change out the known faulty TRH (which will be sent back to Boulder tonight)

1638: old: TRH19 122.17 -1.33 16383 2\r\n

1640: new: TRH23 8.16 48.26 4792 1509\r\n

(looks much better)
