

# Stn 2 Visit 24 Jan 2011

24Jan2011 16:20-17:15 Militzer/Horst

Conditions: becoming overcast, sun going down, calm

Purpose: Cleaning, Re-Init Router, Mote software update

16:23-16:28 Update mote software. Finger nail polish coating added to antenna bases.

16:23-16:28 Rad cleaned and downlooking rlw desiccant refreshed

16:40-17:00 Router Configuration refreshed after it had dropped back into factory defaults a couple days ago. No data loss, but will need to fill those gaps with rsync tonight.
