

ncar2 up

June 24

Kurt, Tom, Dan Rajewski, Gordon

ncar2 is set up.

sonic: 1119

krypton: 1393

prop: 00319 (determined by a process of elimination, not noted down at setup time)

baro: B3

2m: TRH27

10m: TRH25

Verified that prop direction read 0 when vane held along boom.

Dan and Gordon shot the azimuths, using the same procedure as at ncar4 today:
