Participation

Vaisala: Teri has been in contact with Melanie Scott, Marketing Specialist, in their St. Louis Office (314) 872-0530. She is keeping Walt Dabbert in the loop about whether or not they participate at this point. She is Vaisala's point of contact for us.

Texas Tech: Teri has been in touch by email with Chris Weiss and John Schroeder, professors in their Atmospheric Sciences Group, to encourage WxFest involvement. (chris.weiss@ttu.edu, john.schroeder@ttu.edu)
